Dear and Honored Mr Superintendent,

I wish to ask if my husband could have tomorrow and Saturday to move into the home his former clerk was so generous as to provide for us both.

You were not in your office, and I take the liberty of writing the request.

My husband had but one week of summer vacation, yet is unwilling to ask for leave now. It is I who cannot get things settled in our new place without his help and so venture to beg the favor. Our house is 408. South 18<sup>th</sup> Street, and I live in the hope of being honoured by your presence there. With great respect  
M Hosmer.
